

# Quit (feat. Ariana Grande)

## Cashmere Cat

And you say that I'm the devil you know  
And I don't disagree, no, I don't see the harm  
They say: "You crazy, just leave him, he'll suffocate you"  
But I wanna be in your arms  
They say, "No, don't pick up the phone, let them think there's  
nobody home"  
But I'm under your spell  
'Cause when you call my heart starts to roll  
I always want more  
It's my heaven, my hell  
We're heading deep  
Inside lives a voice, a voice so quiet  
But I can't hear that voice when your heart beats next to mine  
I can't quit you  
I can't quit you  
I can't quit you  
I can't quit you  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
I know I'm gonna regret it  
When you said:  
"Baby, I just want you to lay me down and we'll fuck the pain away"  
'Cause skin on skin, I feel nothing but the burning of desire  
And that's just foreplay  
We're heading deep  
Inside lives a voice, a voice so quiet  
But I can't hear that voice when your heart beats next to mine  
I can't quit you  
I can't quit you  
I can't quit you  
I can't quit you  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
I know I'm gonna regret it  
I can't quit you  
I can't quit you, oh baby  
I can't quit you  
I can't quit you, oh babe  
Gonna regret it  
Yeah, I'm gonna regret it  
Yeah, I'm gonna regret it  
I'm gonna regret it  
I'm gonna regret it  
(babe, babe, babe)  
Gonna regret it

Yeah, I'm gonna regret it
