

Enchantment Passing Through

Sisqó

Whoaaa

Yeah yeah yeah

A few more days we'll be home in glory

Already they'll be getting out the flags

With Memphis high motive dilatory

Still I only see a lot of snags

[BRIDGE]

Just because I've triumphed as a slaver

Brought beauty back to Egypt by the ton

Of this and every month now I'm the flavor

And scheduled to do things I've never done

[CHORUS]

And why should I tell you this

A stranger I just met

A woman who in hours from now I'll certainly forget

Anonymous and undemanding

Enchantment passing through

My secrets and my confidence

Are safe enough with you

My days out in the field are all but ended

They'll put me out to grass which means the throne

Bedecked with jewels alongside my intended

I feel as if my heart is set in stone

[BRIDGE]

[CHORUS]

Whoa

[CHORUS (2x)]

Yeah yeah oh yeah

Is safe enough with you
