

Anchor

Tritonal

[Verse]

If you're lost
And feel like you're alone
I'll be the one to guide you home
You'll never have far to go

[Pre-Chorus]

When the waves
Are crashing against your heart
Winds blowing you out too far
No, you don't have to row so hard

[Chorus]

I'll be your a-a a-a a-a anchor
I'll be your anchor
A-a a-a a-a anchor
I'll be your anchor
I'll be your anchor

I'll be your a-a a-a a-a anchor
I'll be your anchor
A-a a-a a-a anchor
I'll be your anchor
I'll be your anchor

[Verse]

If you're lost
And feel like you're alone
I'll be the one to guide you home
You'll never have far to go

[Pre-Chorus]

When the waves
Are crashing against your heart
Winds blowing you out too far
No, you don't have to row so hard

[Chorus]

I'll be your a-a a-a a-a anchor
I'll be your anchor

A-a a-a a-a anchor
I'll be your anchor
I'll be your anchor

I'll be your a-a a-a a-a anchor
I'll be your anchor
A-a a-a a-a anchor
I'll be your anchor
I'll be your anchor
I'll be your anchor
