

# Ain't No Woman (Like the One I've Got)

Hamilton, Joe Frank & Reynolds

Oh

Oh

Ain't no woman like the one I've got  
You know it takes a lot to find another better  
Ain't no woman like the one I love  
You know we're hand in glove, she fits me to the letter

Every day the sun comes up around her  
She can make the birds sing harmony  
Every drop of rain is glad it found her  
Heaven must have made her just for me  
When she smiles so warm and tender  
A sight for sore eyes to see

Ain't no woman like the one I've got  
You know it takes a lot to find another better  
Ain't no woman like the one I love  
You know we're hand in glove, she fits me to the letter

She can pick me up when it's down I'm goin'  
Put a little music in my day  
Wouldn't be surprised if my love keeps growin'  
Bigger every minute that she stays away  
I would kiss the ground she walks on  
I'd be happy to obey

Ain't no woman like the one I've got  
You know it takes a lot to find another better  
Ain't no woman like the one I love  
You know we're hand in glove, she fits me to the letter

Oh

Oh

Ain't no woman like the one I've got  
You know it takes a lot to find another better  
Ain't no woman like the one I love  
You know we're hand in glove, she fits me to the letter

Ain't no woman like the one I've got  
You know it takes a lot to find another better  
Ain't no woman like the one I love  
You know we're hand in glove, she fits me to the letter
