

Feelin' Way Too Damn Good

Nickelback

[Bridge]

I missed you so much that I begged you to fly and see me
You must've broke down 'cause you finally said that you would
But now that you're here, I just feel like I'm constantly dreaming
'Cause something's gotta go wrong 'cause I'm feelin' way too damn good

[Verse 1]

For 48 hours, I don't think that we left my hotel room
Should show you the sights 'cause I'm sure that I said that I would
We gotta make love just one last time in the shower
Well, something's gotta go wrong 'cause I'm feelin' way too damn good

[Chorus]

And it's like, every time I turn around
I fall in love and find my heart face down and
Where it lands is where it should
This time it's like
The two of us should probably start to fight
'Cause something's gotta go wrong, 'cause I'm feelin' way too damn good, oh
Feelin' way too damn good

[Verse 2]

Sometimes I think best if left in the memory
It's better kept inside than left for good
Looking back each time they tried to tell me
'Cause something's gotta go wrong, 'cause I'm feelin' way too damn good, oh

[Chorus]

And it's like, every time I turn around
I fall in love and find my heart face down and
Where it lands is where it should
This time it's like
The two of us should probably start to fight
'Cause something's gotta go wrong, 'cause I'm feelin' way too damn good, oh, oh
Feelin' way too damn good

[Bridge]

I missed you so much that I begged you to fly and see me
You must've broke down 'cause you finally said that you would
But now that you're here, I just feel like I'm constantly dreaming

'Cause something's gotta go wrong 'cause I'm feelin' way too damn good

[Chorus]

And it's like, every time I turn around
I fall in love and find my heart face down and
Where it lands is where it should

This time it's like

The two of us should probably start to fight

'Cause something's gotta go wrong, 'cause I'm feelin' way too damn good, oh, oh

Feelin' way too damn good

(I missed you so much that I begged you to fly and see me)

Feelin' way too damn good

(I missed you so much that I begged you to fly and see me)
