

# Let Me Go

## 3 Doors Down

[Verse 1]

One more kiss could be the best thing  
But one more lie could be the worst  
And all these thoughts are never resting  
And you're not something I deserve

[Refrain]

In my head there's only you now  
This world falls on me  
In this world, there's real and make believe  
And this seems real to me

[Chorus]

You love me, but you don't know who I am  
I'm torn between this life I lead and where I stand  
And you love me but you don't know who I am  
So let me go  
Let me go  
I dream ahead to what I hope for  
And I turn my back on loving you  
How can this love be a good thing  
When I know what I'm goin' through

[Refrain]

In my head there's only you now  
This world falls on me  
In this world, there's real and make believe  
And this seems real to me

[Chorus]

You love me, but you don't know who I am  
I'm torn between this life I lead and where I stand  
And you love me but you don't know who I am  
So let me go  
Let me go

[Bridge]

And no matter how hard I try  
I can't escape these things inside I know  
I know

When all the pieces fall apart  
You will be the only one who knows  
Who knows

[Chorus]

You love me, but you don't know who I am  
I'm torn between this life I lead and where I stand  
And you love me but you don't know who I am  
So let me go  
Let me go

[Outro]

And you love me, but you don't  
You love me, but you don't  
You love me, but you don't know who I am  
And you love me, but you don't  
You love me, but you don't  
You love me, but you don't know me
