

Over My Head

Echosmith

[Intro]

Over my head, over my head, over my head
Over my head, over my head, over my head

[Verse 1]

There's only static on TV in this hotel room
Reminds me of all the things you think I don't understand
It seems like you and me, we keep losing connection
Whenever you talk to me, it doesn't make any sense

[Pre-Chorus 1]

Don't know what you meant, it's always over my head
Yeah, over my head
Yeah, it's so

[Chorus]

Over my head, over my head, over my head
Over my head, over my head, over my head
Is it too late, too far gone to fix this?
Over my head, over my head, over my head
Over my head, over my head

[Verse 2]

You take the simplest thing and always complicate it
Talking in circles, got me dizzy like a merry-go-round
It shouldn't be so hard to have a conversation
I'm sick of fighting with your ego, I wish you would admit

[Pre-Chorus 2]

But I don't understand, it's always over my head
Yeah, over my head
Yeah, it's so

[Chorus]

Over my head, over my head, over my head
Over my head, over my head, over my head
Is it too late, too far gone to fix this?
Over my head, over my head, over my head
Over my head, over my head

[Bridge]

So tell me, tell me

Tell me all the things that you are thinking, thinking

Tell me what it is that I am missing, missing

Don't want this to slip right through our hands

Don't want this to go

Over my head, over my head, over my head

Over my head, over my head, over my head

Is it too late, too far gone to fix this?

Over my head, over my head, over my head

[Chorus]

Over my head, over my head, over my head

Over my head, over my head, over my head

Is it too late, too far gone to fix this?

Over my head, over my head, over my head

Oh, over my head

Over my head

Oh, over my head
