

# Hi-Lo (feat. Lindsey Stirling)

## Evanescence

I don't know your heart  
I don't know where to begin  
But I could feel you erasing the rivers I'm drawn in  
The more I stood still  
The faster you were running  
You don't know how it feels crawling under your skin  
So far, so far away  
Don't you know we could be High or low  
You never fell beneath me  
And I gave up on you  
But I never forgot you  
I can't be your friend  
Hold your hand while you bleed  
There's nothing left to give you  
Nothing more I need  
Time to let it sleep  
Oh, the damage was real  
But nothing cut me so deep I could not heal  
Don't you know we could be High or low  
You never fell beneath me  
And I gave up on you  
But I never forgot you  
High or low  
You never fell beneath me  
And I gave up on you  
But I never forgot
