

Weekend Girl

Eric Benét

Another Friday comin' round I think I know
what I need
a little time to escape from the pressures
of this week
I wanna see the city lights with someone
on my arm
but she gotta be just right to compliment
my charms

I'm not tryin' to lock her down not tryin' to
get too deep
cause she don't want to complicate her
life just like me
I might steal a kiss for her as we step
across the floor
we gon' set it off tonight cause what I'm
lookin' for is a

Chorus
Weekend girl
I'm tryin' to find a girl to kick it
in a single world
on a little single holiday
weekend girl
I won't spend my whole life uncommitted
weekend girl
but a lovely weekend girl
is what I need today

I might serenade this girl in a private
show for her
she been workin' hard all week and i know
what she deserves
if she cool wit it and get hot wit it
we can roll wit it to my spot wit it
till the early morning brings me to another
day with my

Chorus
Weekend girl
I'm tryin' to find a girl to kick it
in a single world

on a little single holiday
weekend girl
I won't spend my whole life uncommitted
weekend girl
but a lovely weekend girl
is what I need today

Oh let take you baby when the
weekend comes
dancing laughing singing baby till the
sun comes up
ain't nothing but a party till Monday
creeps on it
next Friday e can do it all again
when you get close to me

I feel like makin' a night of love
when you get close
(mmmm on the weekend imma do it real good

when you get close to me
I feel like makin' a night of love
when you get close to me
(ooo let me do it baby)

Chorus x2Weekend girl

I'm tryin' to find a girl to kick it
in a single world
on a little single holiday
weekend girl
I won't spend my whole life uncommitted
weekend girl
but a lovely weekend girl
is what i need today

let me love you abby..till the morning comes
baby come this weekend we gon' have some fun
ooo life is just a party when I roll with you
we gonna step with it step with it step
across the room

let me dress you baby wear that dress
for me
when I get you home baby take it off slowly
oh baby I wanna do I wanna do ys
baby do ya I wanna do you baby do ya
baby do
let me kiss it back...I wanna kiss ir right

let me kiss it honey ..kiss it right tonight
on the weekend
