

# Dangerous After Dark

Cole Swindell

[Verse 1]

Girl, I bet your smile puts that ol' Georgia moon to shame  
Yeah, you got those eyes that make them stars scared to do their thing  
So sexy in that dress wind blowing through your hair  
Going to make me a mess in the middle of no where

[Chorus]

Girl, I bet your dangerous after dark  
That sun goes down lights a little spark  
A little time to kill and a place to park  
And I bet your dangerous dangerous  
Sing along to the radio  
Reeling me in like you don't know  
Your kiss about to tear me apart  
I bet your dangerous so dangerous after dark

[Verse 2]

I bet you got that side that little bit of wild no body gets to see  
I'm thinking tonight we throw a little gas on that fire and you let it loose on me  
The whiskey on your lips  
A little reckless on your face come on give me a sip just a little taste

[Chorus]

Girl, I bet your dangerous after dark  
That sun goes down lights a little spark  
A little time to kill and a place to park  
And I bet your dangerous dangerous  
Sing along to the radio  
Reeling me in like you don't know  
Your kiss about to tear me apart  
I bet your dangerous so dangerous after dark

[Bridge]

Straight through that caution line  
Pedal to the floor  
Oh, sweet child of mine  
Turn it up a little more (a little more, a little more)  
(oh yea)

[Chorus]

Girl, I bet your dangerous after dark  
That sun goes down lights a little spark  
A little time to kill and a place to park  
Oh, I bet your dangerous dangerous  
Sing along to the radio  
Reeling me in like you don't know  
Your kiss about to tear me apart  
I bet your dangerous so dangerous after dark

[Outro]  
Yeah, I bet your dangerous  
So dangerous after dark  
Yeah
