Mindless Behavior

[Intro]

Hello, hello, hello

[Verse 1]

When I first saw you, all I could say
OMG, how do I, make her my baby?
Plenty girls want me, but you ain't the same
Run it back, handle that, bring my A-game

[Pre-Hook:]

Everybody knows the way to a girl's heart
Is what you say
So what you say about us talkin on another level?
If you like what you hear then you can holla back (yeah)

[Hook:]

You got me sayin, hello, hello, hello, hello
Lemme get that info, show you what I mean
I can make it worth your time (time)
If I can get you on the line (line)
You got me sayin hello, hello, hello, hello
Lemme get that info, show you what I mean
I would never waste your time (time)
If I could get you on the line (you'd be mine)

[Verse 2]

Pretty girl princess, no you don't know me

Get up this weekend, see us a movie
