

# Fucked With a Knife

## Cannibal Corpse

Fucked with a knife  
.  
no escape from your fate  
destined to be mine  
every night i wait to see  
in the dark, watching  
stalking your every move  
i know when you're all alone  
all alone

.  
tied tight to the bed  
legs spread open  
bruised flesh, lacerations  
skin stained with blood  
i'm the only one you love  
i feel her heart beating  
my knife deep inside  
her crotch is bleeding

.  
she liked the way it felt inside her  
fucking her harder, harder

.  
she liked the way it felt inside her  
fucking her harder, harder

.  
stick it in  
rip the skin  
carve and twist  
torn flesh

.  
from behind  
i cut her crotch  
in her ass  
i stuck my cock  
killing as i cum
