

# I'm Coming Home

## The Spinners

Sittin' in a railway station,  
My suitcase in my hand.  
Goin' back where I came from,  
Had more than I can stand. Watchin' men destroy my dreams,  
Picked my brain 'til it was clean.  
When I was up  
They knocked me down, hey.  
I ain't goin' to hang around I'm goin' ho-ho-home, hey, hey.  
(I'm comin' home)  
Yes I am.  
(Comin' home)  
More than I can stand, now doncha  
Tell someone to meet me,  
I'm comin' ho-ho-ho-home.  
Yeah, hey.  
(Tell someone to meet me)  
Why doncha?  
(Home)  
Yesseree. Gotta tell y'all. Came to this old town  
Seeking fortune and some fame.  
Never got the chance to prove myself  
Though I tried to play their game. Usin' people just ain't my thing,  
I don't dangle from any string.  
To please some fool that don't care about  
They turned me inside out, I'm goin' ho-ho-home, yeah. I got it, you know too.  
(I'm comin' home)  
Hey, I know what I'm gonna do  
I'm gonna tell someone to meet me.  
(Home)  
Yes I am  
Will ya meet me  
(Tell someone to meet me)  
When you're down and out  
Hey, hey. I gotta admit it.  
I'm really not ashamed  
Of half the things I said. And I don't want nobody  
Tryin' to show me pity.  
'Cause I've had more than I can stand  
And? be a better man.  
I can rearrange my life  
And buy me these fine-made curtains (?) (Home)  
Won'tcha wait for me

?  
(Comin' home)  
Try to be -- try to be a better man.  
(Tell someone to meet me)  
Try to get me somethin' together.  
Yes it is, hey hey hey!(Tell someone to meet me)  
Why doncha? Why doncha? Why doncha?  
(Tell someone to meet me)  
Why doncha?  
(Tell someone to meet me)  
Oh, hey!It was gonna get steady  
But I came to the city  
Livin' in a cold life  
Place for the nothin' (?)  
Hey!You know I gotta get back out  
Ain't used to livin' like that see.  
It's been a long time  
Since I felt like a real man.  
Heh heh.Comin' to the city,  
Hey, you got the wrong man (?) [Fade]Ain't?  
I'm goin' back where I came from.  
Yeah, 'cause the only people that care about me,  
? no more, heh...
