

# Grown Man (feat. Curren\$y)

## Lil Wayne

What's up baby?  
I ain't trying to do nothing but get me grown man on  
I ain't trying to hurt you  
Only if you want me to, haha  
Yeah, something like that Yeah, what's happenin' baby I'm Lil Wayne from New Orleans  
Fresh out the navy now the captain of my own team  
Hop in this, machine, vanish from the scene  
Goddamn it I'm so mannish  
Handle it like a standard  
So put yo panties and yo pants by the trash can  
Romance on the floor plans, yeah  
We hold hands while we rollin', just trying to keep up with the program  
Just trying to sneak up on ya, like how you doing maam  
I'm a old soul, and a young man, we got to it and  
We didn't stop 'til the birds hit the block  
And she ain't never had it like that haha  
Girl... you are... so fine  
I wish that I could get you over here girl  
Tonight... so I... can get my grown man on with you  
You are... so fine  
I wish that I could get you over here, girl  
Tonight... so I... can get my grown man on with you You don't know about it, how I'm a grown  
man  
You don't know about it, how I'm a grown man  
You don't know about it, how I'm a grown man  
You don't know about it, how I'm a grown man  
Now I don't really hit the club but tonight I'll make an exception  
For some reason I can't seem to keep my eyes out your direction  
I'm lookin' at you so hard, I could probably catch a charge  
Feelin' the way you walk when you move yo booty applaud, damn  
I gotta keep my composure  
I gotta attack my mission and handle business like a soldier  
Young man, Young Money but the money long Currency the Hot Spitta so grown  
And yo perception of me is so wrong  
Don't worry bout what you heard bout me and them other birds  
Might have done a little dirt and left a few of them hurt  
But whatever has occurred they all got what they deserved  
And you don't rock like them, I can see it in yo eyes  
If you ain't good for me then you wearing a disguise  
Cause tonight you lookin' like miss right  
And I swore to be a player for life, but I'll change for you Girl... you are... so fine  
I wish that I could get you over here girl

Tonight... so I... can get my grown man on with you  
 You are... so fine  
 I wish that I could get you over here, girl  
 Tonight... so I... can get my grown man on with you You don't know about it, how I'm a grown  
 man  
 You don't know about it, how I'm a grown man  
 You don't know about it, how I'm a grown man  
 You don't know about it, how I'm a grown man You ain't no woman you a baby girl, living in  
 the ladies world  
 And I'm a grown man, the women understand  
 See what I go through, is what I owe you  
 So you should throw that ass back to me right now, yeah  
 Fly boy baby sit back relax and, cruise with a nigga destination satisfaction  
 Whose is it baby she say Weezy Fucking Baby  
 I say yes in-fucking-deed, she say don't you ever leave  
 I say, I say but I got money on my mind  
 Then I tell her never mind and we do it one more time  
 For a large amount of time, long and won't stop 'til daytime come home, yeah Girl... you are...  
 so fine  
 I wish that I could get you over here girl  
 Tonight... so I... can get my grown man on with you  
 You are... so fine  
 I wish that I could get you over here, girl  
 Tonight... so I... can get my grown man on with you You don't know about it, how I'm a grown  
 man  
 You don't know about it, how I'm a grown man  
 You don't know about it, how I'm a grown man  
 You don't know about it, how I'm a grown man Damn, look, that.. o that right there, that's the  
 sunset girl  
 Get your visor, where those Chanell shades I get you, you always losing things  
 And I'm always buying new things, I come a long way huh remember...  
 Remember that block, look at you, you think you all grown  
 You ain't no woman you a baby girl, living in the ladies world  
 And I'm a grown man, the women understand  
 See what I go through, is what I owe you  
 And you should throw that ass back to me right now
