

# Bye Bye

Jo Dee Messina

Boy you sure look good there standin'  
In the doorway in the sunset light  
Maybe I read you wrong thinkin'  
You could be my Mr. Right I was puttin' my heart and soul on the line  
Said you needed some time  
Just a little more time to make up your mind  
Well, it's been long enough, time is up Bye bye love, I'll catch you later  
Got a left foot down on my accelerator  
And the rearview mirror torn off  
I ain't never lookin' back and that's a fact I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride, I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye  
Don't think all those tears are gonna hold me here  
Like they've done before  
You'll find what's left of us  
In a cloud of dust on Highway 4 Baby, what did you expect me to do  
Just sit around and wait on you  
Well, I'm through watchin' you just skate around the truth  
And I know it sounds tight, I've seen the light Bye bye love, I'll catch you later  
Got a left foot down on my accelerator  
And the rearview mirror torn off  
'Cause I ain't never lookin' back and that's a fact I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride, I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye  
I'd lost the game I guess  
I did my best to win the part  
Now I'm leavin' here with  
What's left of my heart Bye bye, I'll catch you later  
Got a left foot down on my accelerator  
And the rearview mirror torn off  
'Cause I ain't never lookin' back, you can count on that I've tried all I can imagine  
I've begged and pleaded in true lover's fashion  
I've got pride, I'm takin' it for a ride  
Bye bye, bye bye my baby, bye bye Bye bye, oh baby, oh oh  
Bye bye, bye bye my baby, bye bye
