

# Mirror (feat. Bruno Mars)

Lil Wayne

With everything happening today  
You dont know whether you're coming or going  
But you think that you're on your way  
Life lined up on the mirror dont blow it  
Look at me when Im talkin to you  
You looking at me but I'm lookin through you  
I see the blood in your eyes  
I see the love in disguise  
I see the pain hidden in your pride  
I see you're not satisfied  
And I dont see nobody else  
I see myself I'm looking at the Mirror on the wall, here we are again  
Through my rise and fall  
You've been my only friend  
You told me that they can understand the man I am  
So why are we here talkin' to each other again Uh, I see the truth in your lies  
I see nobody by your side  
but I'm with you when you re all alone  
And you correct me when Im lookin wrong  
I see that guilt beneath the shame  
I see your soul through your window pain I see the scars that remain  
I see you Wayne, Im lookin at the Mirror on the wall, here we are again  
Through my rise and fall You've been my only friend  
You told me that they can understand the man I am  
So why are we here talkin' to each other again Lookin at me now I can see my past  
Damn I look just like my f-ckin dad  
Light it up, thats smokin' mirrors  
I even look good in the broken mirror  
I see my momma smile thats a blessin  
I see the change, I see the message  
and no message could been any clearer  
So I'm stared with the man in the... Mirror on the wall (MJ taught me that)  
Here we are again  
Through my rise and fall  
You've been my only friend (Take em to Mars, man)  
You told me that they can understand the man I am  
So why are we talkin' to each other again  
Mirror on the wall, here we are again  
Through my rise and fall  
You've been my only friend  
You told me that they can understand the man I am  
So why are we here talkin' to each other again

Mirror on the wall...  
(Hey B.P., looks like I did take em to Mars this time)  
So why are we talkin to each other again
