

Nobody to Love

Sigma

I know you're tired of loving
Just grab somebody, no leaving
No!
I know you're tired of loving, of loving With nobody to love, nobody, nobody
So just grab somebody, no leaving this party
With nobody to love, nobody, nobody
I know you're tired of loving, of loving
With nobody to love, nobody, nobody So just grab somebody, no leaving this party
With nobody to love, nobody, nobody
I know, i know you're tired of loving
Just grab somebody, no leaving
No!
With nobody to love, nobody, nobody
Just grab somebody, no leaving this party
With nobody to love, nobody, nobody
I know you're tired of loving, of loving
With nobody to love, nobody, nobody
So just grab somebody, no leaving this party
With nobody to love, nobody, nobody
I know you're tired of loving, of loving
With nobody to love, nobody, nobody
So just grab somebody, no leaving this party
With nobody to love, nobody, nobody
