La la la la la la la la la la Oh
You know I never felt like this before (Oh oh)
La la la la la la la la la la Oh
This feels like so real (Oh oh) I'm obsessive when just one thought of you comes up, and I'm
aggressive just one thought of closing up
You got me stressing incessantly pressing the issue, 'cause every moment gone you know I
miss you
I'm the question and you're of course's the answer, just hold me close boy 'cause I'm your tiny
dancer
You make me shaken I'm never mistaken, but I can't control myself got me calling out for help
S.O.S. Please someone help me
It's not healthy for me to feel this Y.O.U (Why Oh You) are making this hard?
I can't take it, see it don't feel right
S.O.S. Please someone help me
It's not healthy (It's not healthy) for me to feel this Y.O.U (Why Oh You) are making this hard?
You got me tossin' and turnin' and I can't sleep at night
This time please someone come and rescue me, 'cause you on my mind has got me losing it
I'm lost you got me lookin' for the rest of me love is testing me, but still I'm losing it
This time please someone come and rescue me, 'cause you on my mind has got me losing it
I'm lost you got me lookin' for the rest of me, got the best of me so now I'm losing it
Just your presence in a second guess my sanity
Yes it's a lesson, and it is based on my vanity My tummy's up in knots, so when I see you I get
so hot
My common sense is out the door, can't seem to find the light
Take me (ha ha) you know inside you feel it right
Take me I'ma put desire up in your arms tonight
I'm out with you, you got me head over heels
Boy, you keep me hangin' on the way you make me feel
S.O.S. Please someone help me (Someone help me)
It's not healthy for me to feel this Y.O.U (Why Oh You) are making this hard?
You got me tossin' and turnin' and I can't sleep at night
This time please someone come and rescue me, 'cause you on my mind has got me losing it
('Cause you on my mind)
I'm lost you got me lookin' for the rest of me love is testing me, but still I'm losing it
This time please someone come and rescue me (Someone come and rescue me), 'cause you on
my mind has got me losing it
I'm lost, you got me lookin' for the rest of me, got the best of me, so now I'm losing it
Boy, you know you got me feeling open, and boy your love's enough with words unspoken
I said boy I'm telling you, you got me open I don't know what to do it's true, I'm going crazy
over you, I'm begging
S.O.S. Please someone help me (Somebody help me) It's not healthy for me to feel this Y.O.U
(Why Oh You) are making this hard? (Why you making this hard for me babe?)

You got me tossin' and turnin' and I can't sleep at night
This time please someone come and rescue me (someone rescue me), 'cause you on my mind
has got me losing it
I'm lost you got me lookin' for the rest of me, love is testing me but still I'm losing it (Love is
testing me but still I'm losing it) This time please someone come and rescue me, 'cause you on
my mind has got me losing it ('Cause you on my mind, all of the time)
I'm lost you got me lookin' for the rest of me, got the best of me so now I'm losing it (Best of
me, I'm losing it)
La la la la la la la la la la Oh
