

Random

G-Eazy

[Intro]

Young Gerald, uh

[Hook]

This is the anthem

Told the world I need everything and some, yeah

Two girls that's a tandem

She gon' do it all for me when them bands come

Got it all, yeah I'm young, rich, and handsome

Uh, this shit is not random

Everybody ain't got it, understand son

Yeah, this shit is not random

[Verse 1]

Woah, okay

It's my world and I do what I like to

I know she gon' be ready when I slide through

If you forgot I got it, I'll remind you (remind you)

'Cause I got what they got, I'm talkin' times two

Disagree with me and you've been lied to

I am nothing like you, and no I'm not the type to

Follow bullshit y'all give the hype to

I can see the fakes, so when I look in your direction

Understand I'm seein' right through

You're hollow, you follow?

Everybody's not the real McCoy

Worldwide, yeah, they feel the boy

California out to Georgia, Florida, then up to Illinois

When I listen to your music, I just feel annoyed

Haters, I don't understand 'em

Bred Jordan ones from 2001 (OG)

Today I think I want a Phantom

If I don't get it I'ma throw a fuckin' tantrum, whoa!

[Hook]

This is the anthem

Told the world I need everything and some, yeah

Two girls, that's a tandem

She gon' do it all for me when them bands come

Got it all, yeah I'm young, rich, and handsome

This shit is not random (nope)
Everybody ain't got it, understand son (sorry)
Yeah, this shit is not random

[Verse 2]

Now imagine it, put the hours in and stayed passionate
Wasn't blowin' money, I was stackin' it
Figured what the fuck I want to do in life and practiced it
Pay attention, none of this is happenin' by accident
Listen, I don't slack a bit
Game plan's solid, no cracks in it
Said I want a billion now, nothing less is adequate
Grab a check, cashin' it
I was born addicted to the money
Difference now I finally found a way to manage it
What you think I'm paid for, nothin'?
You must be mistakin' someone
I had to go make that fundin'
I'm tryna be great at somethin'
Spend, not saving nothin'
Flyin' from the Bay to London
They say money talks but you ain't saying nothin', shh
Now try and shade me, I'm like, "I guess"
Why yes, you drive a Toyota, please define flex
Sign CDs and I sign breasts
Understand, to these female fans, I'm sex
Listen

[Hook]

This is the anthem
Told the world I need everything and some, yeah
Two girls, that's a tandem
She gon' do it all for me when them bands come
I got it all, yeah I'm young, rich, and handsome
This shit is not random
Everybody ain't got it, understand son
Yeah, this shit is not random
