

Ooops Up

Snap!

Say baby, baby, baby, baby
Baby, b-b-baby, say op-ah-la
Say op-ah-la Say baby, baby, baby, baby
Baby, b-b-baby, say op-ah-la
Say op-ah-la Hey, I wanna tell ya, babe, ahaha
Heyeyeyeyey, oooh, oho, everybody say op-ah-la
Heyey, somebody say op-ah-la
Here's what I want you to do Just put your hands in the air
And wave 'em like you just don't care
Well, if you really like me to rock real free
Somebody say oh yeah, somebody say yeah
Somebody say yeah Oh ah, say oops upside your head, say oops upside your head
Everybody say op-ah-la (say oops up, say oops up), hey yeaheah
Say oops upside your head, say oops upside your head
Somebody say op-ah-la (say oops up, say oops up) This is a song about those bad days
Start out happy and end up sad days
Talkin' about that Murphy's law
Chill if it can go wrong, yes, it will Went to the store to cop some groceries
Friday night and I had the munchies
Filled the car 'till it couldn't take it
One more bag of chips would break it Went to the checkout, stood in line
Behind me was a girl who was too fine
I got in the end while they rang the total
Reached for my wallet, uh-oh, a bolo
Not my day, I felt like a dummy
Went to the store and forgot the money (ah) Oh ah, say oops upside your head, say oops upside
your head
Everybody say op-ah-la, hey, yeaheah
Say oops upside your head, say oops upside your head
Somebody say op-ah-la Everybody say oops upside your head, say oops upside your head say
op-ah-la
Everybody say op-ah-la (say oops up, say oops up)
Everybody say op-ah-la (say oops up, say oops up) Me and Amy under the covers
Seeing high hot potential lovers
Demon in the sack is her reputation
If school is sex, she's the graduation Touching, holding, heavy breathing
I knew I'd get her, she's mad about teasing
Left on the light so I could see reaction
Amy's a freak, guaranteed satisfaction She's as soft as a bubble bath
I'm as hard as Chinese math
Ready for the ultimate affection
Took out the packet, got my protection Rolled it up in one hard stroke

It was my last thing, yes, it broke (ah)Everybody say oops upside your head, say oops upside
 your head
 Somebody say op-ah-la, doo doo-doo doo-doo doo ooh
 Say oops upside your head, oops upside your head
 Somebody say op-ah-laLittle Miss Muffet sat on a tuffet
 Eating her curds and whey
 Along came a spider, sat down beside herSaid what's in the bowl, bitch
 Hey, yeah, yeah, what's in the bowl, bitch
 Hey, yeah, yeah, hey, yeah, yeah, what's in the bowl, bitch?
 Hey, yeah, yeah, hey, yeah, yeah, what's in the bowl, bitch?Hey, I need a breakIt's like a day
 When nothing seems to go your way
 But you stick it out anyway
 'Cause you're a champI don't know what I'm gonna do, gonna do
 I don't know-a, I don't know-a, I don't know-a
 I don't know what I'm gonna do, do
 Ahaha, ahaha, ahSay oops upside your head, say oops upside your head, come on
 Say oops upside your head, say oops upside your headSay yeah, yeah, yeah, yeah, yeah
 Say yeahSay baby, baby, baby, baby
 Baby, b-b-baby, say op-ah-la
 Say op-ah-laSay baby, baby, baby, baby
 Baby, b-b-baby, say op-ah-la
 Say op-ah-laEverybody say oops upside your head, say oops upside your head
 Somebody say op-ah-la, doo doo-doo doo-doo doo ooh
 Say oops upside your head, oops upside your head
 Somebody say op-ah-la (say oops up)Little Miss Muffet sat on a tuffet
 Eating her curds and whey
 Along came a spider, sat down beside herSaid what's in the bowl, bitch
 Hey, yeah, yeah, what's in the bowl, bitch?
 Hey, yeah, yeah, hey, yeah, yeah, what's in the bowl, bitch?
