

# Batshit

Sofi Tukker

[Verse 1: Tucker Halpern]  
Oh, you're bad enough to me  
Bad enough that we  
Always have something to get over  
Oh, you dress up so happy  
Looking so fancy  
I got that salty chip on my shoulder  
Oh, but when the night is deep  
You find me in the streets  
Asking me to come over

[Chorus: Sophie Hawley-Weld & Tucker Halpern]  
Batshit, batshit, batshit  
I'm batshit crazy!

[Post-Chorus: Sophie Hawley-Weld & Tucker Halpern]  
I'm batshit crazy!  
Batshit, batshit, batshit  
I'm batshit crazy!  
Batshit, batshit, batshit

[Verse 2: Tucker Halpern]  
Oh, but when the night is deep  
You find me in the streets  
Asking me to come over

[Hook: Tucker Halpern]  
I'm batshit crazy!

[Bridge: Sophie Hawley-Weld]  
Batshit, batshit, batshit, batshit crazy bad  
Batshit, batshit, batshit, batshit crazy bad  
Batshit, batshit, batshit, batshit crazy bad  
Batshit, batshit, batshit, batshit crazy bad  
Batshit, batshit, batshit, batshit crazy bad

[Verse 1: Tucker Halpern]  
Oh, you're bad enough to me  
Bad enough that we  
Always have something to get over

Oh, you dress up so happy  
Looking so fancy  
I got that salty chip on my shoulder  
Oh, but when the night is deep  
You find me in the streets  
Asking me to come over

[Post-Chorus: Sophie Hawley-Weld & Tucker Halpern]

Batshit, batshit, batshit

I'm batshit crazy!

Batshit, batshit, batshit

I'm batshit crazy!

Batshit, batshit, batshit

I'm batshit crazy!

Batshit, batshit, batshit

I'm batshit crazy!

[Outro: Tucker Halpern]

Oh
