

Are We All We Are

P!nk

[Intro]

Are we all we are
Are we all we are

[Verse 1]

Cut to now, holy wow
When did everything become such a hell of a mess?
Maybe now, maybe now
Can somebody come and take this off my chest?
I know you think it's not your problem
I know you think that God will solve them
But if your shit is not together, it'll never be you and me
Plant the seed, open up and let it be

[Chorus]

We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
We've had our fill, we've had enough, we've had it up to here
Are we all we are, are we all we are
We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
Just sing it loud, until the kids will sing it right back
Are we all we are, are we all we are (Oh-oh)
Are we all we are, are we all we are

[Verse 2]

Seven seconds, seven seconds
That is all the time you got to make your point
My attention, my attention's like an infant tryna crawl around this joint
I know we're better than the masses
But we're all following our asses
And if our shit is not together, it'll never be you and me
Plant the seed, open and let it be

[Chorus]

We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
We've had our fill, we've had enough, we've had it up to here
Are we all we are, are we all we are
We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
Just sing it loud, until the kids will sing it right back
Are we all we are, are we all we are

[Bridge]

Four, that's how many years it took me to get through the lesson
That I had to do it all on my own
Three, that's how many Hail Mary's they would pray for me
Thinking I was gonna end up all alone
Two for second chances that you've given me
Can it be, lucky me, lucky me, now let's go
One, it's what we are, it's what we are
Are we all we are, are we all we are

[Chorus]

We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
We've had our fill, we've had enough, we've had it up to here
Are we all we are, are we all we are
We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
Just sing it loud, until the kids will sing it right back
Are we all we are, are we all we are
We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
We've had our fill, we've had enough, we've had it up to here
Are we all we are, are we all we are
We are the people that you'll never get the best of
Not forget the rest of, rest of (Oh-oh)
Cut to the future, sing it loud, and take the power back
Are we all we are, are we all we are
