

OJ (feat. Fabolous & Jadakiss)

Jeezy

[Hook: Young Jeezy]

What you know about champagne every night
Bad bitches everywhere, Barry White
Fifty things, I could bury white
Counting up a million dollars every night
Hit the mall, blow a four way
Kinda hard when you're sleeping on Dolce
Wake up drinkin Rose
Killing that white bitch, OJ

[Verse 1: Young Jeezy]

Smoking that exotic, riding that foreign
Million dollar round tripping, I ain't talking bout touring
Yeah, counting money til ya boring
Man fuck that shit (Jizzle, where you going)
Flat screens on the wall, nigga Imax
Michael Turners on deck, nigga half backs
Dirty white bitch, yeah that Kat Stacks
We don't sleep round here, we take cat naps
Wesley Snipes motherfucka, this the money train
Swear the work came faster than the money came
Sometimes the money be faster than the cars is
If the feds ain't watching then them broads is
Could end anyday and you know better
Now you watch the Frito Lay, yeah you know cheddar
Double bags at the spot, luggage in the place
Louis V on deck, luggage on my waist

[Hook: Young Jeezy]

What you know about champagne every night
Bad bitches everywhere, Barry White
Fifty things, I could bury white
Counting up a million dollars every night
Hit the mall, blow a four way
Kinda hard when you're sleeping on Dolce
Wake up drinkin Rose
Killing that white bitch, OJ

[Verse 2: Fabolous]

I woke up sayin' I ain't drinking no more

Same night in the spot drinkin' Coco
Loso, bad bitch think she know so
Got a man cuffing nigga think he po-po
She tryna go below the belt, thinking low blow
I'm thinking oh yeah, he thinkin' oh no
I'm on my high horse nigga, thinking Polo
Got the 9 on me so I think I'm Romo
Uh, I'm about that life nigga
Bring you in the game, let you meet my wife nigga
Married to this shit, asking am I getting cheddar now
They say I do, like a motherfucking wedding vow
That AirTran, we flying for cheap
And you niggas sleepin' on me, hope you die in your sleep
OJ, yeah probably don't get it
I'm the best that ever did it and got away with it

[Hook: Young Jeezy]

What you know about champagne every night
Bad bitches everywhere, Barry White
Fifty things, I could bury white
Counting up a million dollars every night
Hit the mall, blow a four way
Kinda hard when you're sleeping on Dolce
Wake up drinkin Rose
Killing that white bitch, OJ

[Verse 3: Jadakiss]

You could tell he gettin' money and every nigga with 'em
The gloves don't fit him so they gotta acquit him
Ain't nobody seen it, but everybody heard it
The whole town hatin', they waitin' on a verdict
Tell 'em niggas pop off, I'm waitin on a drop off
And I ain't leaving the block 'til I knock the whole box off
Yeah taking care of the whole fam
Bought the Porsche gave the M to my old man
More money more problems, more grams
More real estate, more land
At fight night I be ringside
I let them things fly, just put 1.5 under my kingsize
I look at the world through a king's eyes
I was born to spit bars and sling pies
I ain't wealthy yet but I'm quite rich
I just gotta keep killing that white bitch

[Hook: Young Jeezy]

What you know about champagne every night
Bad bitches everywhere, Barry White
Fifty things, I could bury white
Counting up a million dollars every night

Hit the mall, blow a four way
Kinda hard when you're sleeping on Dolce
Wake up drinkin Rose
Killing that white bitch, OJ
