Got a couple hunnid bands, that's a horse ride  
Let the doors high, yeah

[Verse 1]

Giddy up (Giddy up)  
We been tearin' the city up (Ooh)  
I might cop us a Bentley truck (Skrrt)  
Couple hundred to fill it up (Yeah)  
Say the word, I'ma get it done  
Straight in the oven, I'm heatin' up (Heatin' up)  
I know your baby gon' eat it up  
Just let me know when you've seen enough (Yeah)

[Pre-Chorus]

We be hoppin' out the coupe, yeah, yeah (Yeah)  
Like my women by the twos, yeah, yeah  
Records breakin' like the news, yeah, yeah (Brrt)  
That's why they got an attitude, yeah, yeah  
She loves to dance, we do-si-do  
Another round, we make a toast  
Know that talk is cheap, so I can't be broke  
Tell me where you wanna go

[Chorus]

Shawty wanna take a horse ride (Woo)  
We been winning, you will never see the score tied (Yep)  
I done took her out the stands to the court side (Sheesh)  
Got a couple hunnid bands, that's a horse ride  
Let the doors high, yeah  
Horse ride (Giddy up)  
Shawty wavy with it like we sittin' port-side  
I could get it 'fore it ever hit the store line

When I put her in that 'Rari, she look so fly  
That's a horse ride, yeah

[Verse 2]

I'm too saucy, can't get it off me, yeah  
You say you could see me, that's where you lost me, yeah  
Pay me attention, that could be costly, yeah  
You're bringin' your city, I'm bringin' an army, yeah

[Pre-Chorus]

We be hoppin' out the coupe, yeah, yeah (Yeah, yeah)  
Like my women by the twos, yeah, yeah  
Records breakin' like the news, yeah, yeah (Brrt)  
That's why they got an attitude, yeah, yeah  
She loves to dance, we do-si-do  
Another round, we make a toast  
Know that talk is cheap, so I can't be broke  
Tell me where you wanna go
