

So Far Gone

James Blunt

Tell me the wars you're fighting
Behind the smile you're hiding
All of the things I know you want to say We tried our best to find us
But there are no lights to guide us
I can't sleep beside a stranger now And piece by piece we fall apart
With every beat slows down my heart So I'll just say what you won't say
and I'll take the blame, if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
I've tried hard to remember
This prison cell used to be a shelter
Now we're just looking for the best way out
And I can't fight you anymore
You're already one foot out the door So I'll just say what you won't say
and I'll take the blame, if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone And this is the face of letting go
And these are the things we already know
So I'll just say what you won't say
and I'll take the blame, if it's for your sake
No turning back on what you can't save
So I'll just say what you won't say
and I'll take the blame, if it's for your sake
No turning back on what you can't save
So far gone
Yeah, we're so far gone
Yeah, we're so far gone
So I'll just say, what you won't say
