

House Fire

Tyler Childers

[Chorus]

You can set my house on fire, baby
You can turn it into cinder and smoke
'Cause this house is mighty cold and I feel like
Melting all the snow away

[Verse 1]

You see these boots I'm wearing
They're tough enough to go
And they will take many a road to reach you
Honey, won't you light the way?

[Chorus]

You can set my house on fire, baby
You can turn it into cinder and smoke
'Cause this house is mighty cold and I feel like
Melting all the snow away

[Verse 2]

You see this train I'm riding
It's burnin' up the coal
And its wheels are bound to roll right by you

Honey, won't you jump my train?

[Chorus]

You can set my house on fire, baby

You can turn it into cinder and smoke

'Cause this house is mighty cold and I feel like

Melting all the snow away

[Chorus]

You can set my house on fire, baby

You can turn it into cinder and smoke

'Cause this house is mighty cold and I feel like

Melting all the snow away

You can set my house on fire, baby
