

# Speedin' (feat. R. Kelly)

[Rick Ross](#)

Legendary, Runners, you know me, o ooooh, o ooooh  
Trilla, o ooooh, o ooooh Every dollar that I count can't grow in my account  
My account can't count up all my money in an hour  
Cause it's comin too fast and I'm scared it won't last  
Look that white girl in her face told her this was her last dance  
GOD DAMN speed got my heart racin  
See I don't have the nominations you can blame it on my occupation  
Ceasar salad, Caesars Palace  
You not a boss little nigga cause your cheese is average  
In the Benz ak ridin shotgun  
It's a Benz cause your broke 'til you got one  
It ain't nothing do 100 in the maybach  
Throwin money out the roof motherfuckin brake pads  
Fast life, I live, big cars, big cribs, speedin  
I'm speedin, I can't stop it's all I know  
From a youngin I was taught get doe  
I'm speedin, speedin, I'm speedin See people came lookin for me I got ghosts see the west coast  
close and up in the lamontrose  
Big money boss major  
American idol, I got fans like fantasia  
Read between the lines or yo ass like fantasia  
Get hit between the eyes he died they can't save him  
I'm a mosh I'm weevin no no but I'm speedin  
Staring at the skyline I got a million on my mind I'm the best  
and these pussy niggas running out of time Ricky Ross  
I'm the chill quarter mill for the time piece  
Ya I a bought a wheels like deals for the dime piece  
Sittin in the living room watching the Grammys  
Wishing that was me that was on the Grammys  
All I needed was someone to get behind me money rain on me  
I was a D turmin I'll thirty shows a mill  
Homey help me out cause this boy is a drug dealer  
Nap time cause my gift grew wings  
And now I'm flying down like the cool crew winds  
Kells and ross on the hollywood scene  
Red carpet and it's smellin like green  
Now foss cause I got paid off collabo'  
Was the hit hip-hop and R&B boss We fly I think somebody followin we hear the helipad with  
ya bitch  
You worth fifteen million baby don't try to blow it all in one week  
Overseas boss (I'm speedin I'm speedin)  
I'm a fly away on you haters

And I came up so fast movies, endorsements, films...  
We own things... boss boss boss
