

To Sleep

Jacob Collier

It's time to sleep

For me to sleep

For you to sleep

It's time to sleep

It's time to go

To go to sleep

It's time for me to go

So you can get some sleep

To sleep, to sleep, to sleep

To sleep, to sleep, to sleep

You've been so long awake

So close your eyes and sleep

To sleep, to sleep, to sleep

To sleep, to sleep, to sleep (Some things are meant)

Some things are meant to be (You need to go to sleep)

You need to go to sleep (To go to sleep)

So go to sleep, to sleep (To sleep, to sleep)

To sleep, to sleep, to sleep (You need to rest your head)

You need to rest your head (So close your eyes and sleep)

So close your eyes and sleep (So go to sleep)

So go to sleep, to sleep, to sleep

To sleep, to sleep, to sleep

It's time to go

To go to sleep

To sleep, to sleep, to sleep

To sleep, to sleep, to sleep

To sleep, to sleep, to sleep

To sleep, to sleep, to sleep

To sleep, to sleep, to sleep

The road may be long, my friend (To sleep, to sleep, to sleep)

Sleep, sleep, sleep

Sleep, sleep, sleep
