

# You Da One

Rihanna

You da one that I dream about all day  
You da one that I think about always  
You are the one, so I make sure I'll behave  
My love is your love, your love is my love...Baby, I love you I need you here with me all the time...

Baby, we meant to be  
You got me smiling all the time...Cause you know how to give me that  
You know how to pull me back when I go runnin', runnin'  
Tryna get away from loving ya  
You know how to love me hard  
I won't lie, I'm falling hard  
Yep, I'm falling for ya but there's nothin' wrong with that  
You da one that I dream about all day...  
You da one that I think about always...  
You are the one, so I make sure I'll behave...  
My love is your love, your love is my love...You da one that I dream about all day...  
You da one that I think about always...  
You are the one, so I make sure I'll behave...

My love is your love, your love is mine...Baby come, take me now  
Hold me now, make me come alive...  
You got the sweetest touch  
I'm so happy you came in my life...Cause you know how to give me that  
You know how to pull me back when I go runnin', runnin'  
Tryna get away from loving ya  
You know how to love me hard  
I won't lie, I'm falling hard  
Yep, I'm falling for ya but there's nothin' wrong with that  
You da one that I dream about all day...  
You da one that I think about always...  
You are the one, so I make sure I'll behave...  
My love is your love, your love is my love...You da one that I dream about all day...  
You da one that I think about always...  
You are the one, so I make sure I'll behave...

My love is your love, your love is mine...And yes, I'm kinda crazy  
That's what happens, baby  
When you put it down  
You shouldn't give it to me good like that  
Shouldn't hit it like that  
Had me yellin' like that  
Didn't know you would've had me coming back You the one that I'm feeling  
You the one that I'm loving  
Ain't no other niggas like

(You) No, there's just one, one, one, one, one, one  
No baby, just one... one, one, one  
I bet you wanna(Know) You da one that I dream about all day...  
You da one that I think about always...  
You are the one, so I make sure I'll behave...  
My love is your love, your love is my love... You da one that I dream about all day...  
You da one that I think about always...  
You are the one, so I make sure I'll behave...  
My love is your love, your love is mine...
