

# Babyface Savage (feat. Tory Lanez)

## Bhad Bhabie

Comin' out hard like '88, make a bitch levitate  
Babyface savage, bitch, I don't play Patty Cake  
Charms in the carrot cake, carats in the Patek face  
Cop a new coupe, no top, that's the Cali' way  
Drop a little check, everybody lit (Lit)  
Drop a little check, everybody rich (Rich)  
Drop a little check, everybody slide (Slide)  
Drop a little check, everybody die  
Comin' out hard like '88, make a bitch levitate  
Babyface savage, bitch, I don't play Patty Cake  
Charms in the carrot cake, carats in the Patek face  
Cop a new coupe, no top, that's the Cali' way  
Drop a little check, everybody lit (Lit)  
Drop a little check, everybody rich (Rich)  
Drop a little check, everybody slide (Slide)  
Drop a little check, everybody die  
Drop a little check, get active  
Action, Babyface savage, gon' pull up, blastin'  
Drop top comin' down Sunset, smashin'  
Drop top comin' down Sunset, smashin'  
Magic with the ratchet, make these bitches disappear  
Itty bitty bitches in my mentions, listen here  
Itty bitty bitch, I run the city like the mayor  
The bitch with the red ponytail in her hair (The hell)  
Ridin' this beat like a motherfuckin' snare  
Play with the bands, with the bankroll (Bankroll)  
Pockets full of huncho, hundo's (Boom, boom)  
Gotta keep the nine like Rondo  
Cop a new condo, pronto  
Run it back, 'Woods no Fronto, fuck no  
Been had the juice, ten shots out the bronco  
Your bitch mad 'cause she ain't the one, though  
Comin' out hard like '88, make a bitch levitate  
Babyface savage, bitch, I don't play Patty Cake  
Charms in the carrot cake, carats in the Patek face  
Cop a new coupe, no top, that's the Cali' way  
Drop a little check, everybody lit (Lit)  
Drop a little check, everybody rich (Rich)  
Drop a little check, everybody slide (Slide)  
Drop a little check, everybody die  
Comin' out hard like '88, make a bitch levitate  
Babyface savage, bitch, I don't play Patty Cake

Charms in the carrot cake, carats in the Patek face  
Cop a new coupe, no top, that's the Cali' way  
Drop a little check, everybody lit (Lit)  
Drop a little check, everybody rich (Rich)  
Drop a little check, everybody slide (Slide)  
Drop a little check, everybody die  
Get, get, get, get Stones in the Cartier, hoes get naughtier  
.44 leave a li'l hole in every body here  
Money, O's, bitches, got more than everybody here  
Bitch, bitch, bitch, bitch  
'Fore I get up out of here, we gon' and let a body hit 'em  
Broke hoes get a fuck boy, let a body hit 'em  
Red head with me and they know it ain't Lil Yachty here  
41 millimeter face, first 48 bust down  
Bust down, water got it floodin' out the water face  
Money made, more to make, lot of hoes, more to take  
New car, stolen plates, fast like Golden State  
Nigga trippin', tell him he can get it by the shoulder blade  
AK chopper my bitch, we should go on dates  
30 in the dirty on my hip, goin' both ways  
I've been up four days, trappin' out the hallway  
Comin' out hard like '88, make a bitch levitate  
Babyface savage, bitch, I don't play Patty Cake  
Charms in the carrot cake, carats in the Patek face  
Cop a new coupe, no top, that's the Cali' way  
Drop a little check, everybody lit (Lit)  
Drop a little check, everybody rich (Rich)  
Drop a little check, everybody slide (Slide)  
Drop a little check, everybody die  
Comin' out hard like '88, make a bitch levitate  
Babyface savage, bitch, I don't play Patty Cake  
Charms in the carrot cake, carats in the Patek face  
Cop a new coupe, no top, that's the Cali' way  
Drop a little check, everybody lit (Lit)  
Drop a little check, everybody rich (Rich)  
Drop a little check, everybody slide (Slide)  
Drop a little check, everybody die
