## Snoh Aalegra

Baby, baby, can I come around?

Can I ease your mind? Yeah, yeah

Baby, baby, can you make some time?

It'll be worth the while, yeah, yeah

Baby, baby, can I come around?

Can I ease your mind? Yeah, yeah

Baby, baby, can you make some time?

It'll be worth the while

Ooh, tell me, are you thinkin' what I'm thinkin'?

Babe, please, are you thinkin' what I'm thinkin' of?

Oh, tell me, yeah, are you thinkin' what I'm thinkin'?

I can't wait, I can't wait

I need it more than one time, babe

I can't wait, no, I can't wait

We'll f- 'til the sunrise, babe

Baby, baby, ain't gotta say too much

Let your body talk, yeah, yeah

Baby, baby, I'll do that thing you like

I'll keep you satisfied

Ooh, tell me, are you thinkin' what I'm thinkin'?

Babe, please, are you thinkin' what I'm thinkin' of?

Oh, tell me, yeah, are you thinkin' what I'm thinkin'?

Can I ooh? Let me ooh

Can we ooh-ooh-ooh-ooh-ooh?

Can I ooh? Can we ooh

Let me ooh, ooh-ooh-ooh-ooh

(Baby)

(Know you want it, baby)

Can we ooh?

(Know I want it, baby)

Oh, you want it, oh, you want it

(Know you want it, baby)

Know you want it, oh, you want it, baby

(Know you want it, baby)

You

(Know I want it, baby)

Ooh, baby

(Know you want it, baby)

Baby, hey, baby

(Know I want it, baby)

Baby, baby
