

Living In Danger

Anni Rossi

You're living your life in peace and in harmony

You making your own decisions

That's how it's got to be for you and me

So many people are running around and round

Without no sense of logic

I see lies

In the eyes of a stranger

Woah

You'll be living in danger

In the eyes of a stranger

Woah

You'll be living in danger

In the eyes of a stranger

Woah

You'll be living in danger

People are the same today as they used to be

The same expectations

So high no one can reach that high

Not I nor you get satisfied today

Well never get enough
