

# Closer to Fine

## Indigo Girls

I'm trying to tell you something 'bout my life  
Maybe give me insight between black and white  
And the best thing you ever done for me  
Is to help me take my life less seriously  
It's only life after all, yeah Well, darkness has a hunger that's insatiable  
And lightness has a call that's hard to hear  
And I wrap my fear around me like a blanket  
I sailed my ship of safety till I sank it  
I'm crawling on your shores  
And I went to the doctor, I went to the mountains  
I looked to the children, I drank from the fountains  
There's more than one answer to these questions  
Pointing me in a crooked line  
And the less I seek my source for some definitive  
(The less I seek my source)  
Closer I am to fine, yeah  
Closer I am to fine, yeah And I went to see the doctor of philosophy  
With a poster of Rasputin and a beard down to his knee  
He never did marry or see a B-grade movie  
He graded my performance, he said he could see through me  
I spent four years prostrate to the higher mind  
Got my paper and I was free  
And I went to the doctor, I went to the mountains  
I looked to the children, I drank from the fountains  
There's more than one answer to these questions  
Pointing me in a crooked line  
And the less I seek my source for some definitive  
The less I seek my source)  
Closer I am to fine, yeah  
Closer I am to fine, yeah I stopped by the bar at 3 A.M.  
To seek solace in a bottle or possibly a friend  
And I woke up with a headache like my head against a board  
Twice as cloudy as I'd been the night before  
And I went in seeking clarity I went to the doctor, I went to the mountains  
I looked to the children, I drank from the fountains We go to the doctor, we go to the mountains  
We look to the children, we drink from the fountain Yeah, we go to the Bible, we go through the  
workout  
We read up on revival, we stand up for the lookout There's more than one answer to these  
questions  
Pointing me in a crooked line  
And the less I seek my source for some definitive  
(The less I seek my source)

Closer I am to fine  
Closer I am to fine  
Closer I am to fine, yeah
