

Walking (feat. Swae Lee & Major Lazer)

88rising, Joji & Jackson Wang

[Swae Lee:]

Woah, oh

Woah, oh

Woah, oh

Yeah What it's gon' take? (Take)

What it's gon' take to make you shake your worries away (Shake)

I'm finally seeing you face to face? (Face, hey)

It's your beauty girl, plus your fragrance (Ooh, ooh)

[Joji:]

You got what I want, I see you walking away

This feels too real, I hope we could be the same

Some could fuck with you, won't get nowhere

I just want to relive this over

I need you to know, I need you to know

And my body will never let go

So bright, baby, never turn the lights on

I'll be there to catch you if you fall

We'll be better, oh (Yeah) [Swae Lee:]

What it's gon' take? (Take)

What it's gon' take to make you shake your worries away (Shake)

I'm finally seeing you face to face (Face, hey)

It's your beauty girl, plus your fragrance (Ooh, ooh)

And I can't wait (Wait)

She a lil' teeny Kimi 'cause she love to sunbathe (Bathe)

Usually I don't even trip but I can't see you walking away (Way)

She don't even know how I do all this in one day (Ooh) [Jackson Wang:]

I got the moves, yeah

You got the juice, yeah

We can get loose and go wild-wild-wild

Play you for keeps, yeah

Don't want to waste time

My pain with me, take a ride-ride-ride

Swerving in Phantoms, oh yeah (Oh yeah)

She say I look handsome, oh yeah (Oh, oh yeah)

Jump on the jet, we can talk when we land

Baby, now I got her in the palm of my hand

So give me all ties

Baby, you live life

Do this in your time

Baby, I don't mind

Do this like a young Skywalker (Walker)

Baby, you're a real smooth talker, just [Swae Lee:]

What it's gon' take? (Take)
What it's gon' take to make you shake your worries away (Shake)
I'm finally seeing you face to face (Face, hey)
It's your beauty girl, plus your fragrance (Ooh, ooh)
