

# Would You Go With Me

Josh Turner

[Verse 1]

Would you go with me if we rolled down streets of fire  
Would you hold on to me tighter as the summer sun got higher  
If we roll from town to town and never shut it down  
Would you go with me if we were lost in fields of clover  
Would we walk even closer until the trip was over  
And would it be okay if I didn't know the way

[Chorus]

If I gave you my hand  
Would you take it and make me the happiest man in the world  
If I told you my heart couldn't beat one more minute without you girl  
Would you accompany me to the edge of the sea  
Let me know if you're really a dream  
I love you so  
So would you go with me

[Verse 2]

Would you go with me if we rode the clouds together  
Could you not look down forever  
If you were lighter than a feather  
Oh, and if I set you free, would you go with me

[Chorus]

If I gave you my hand  
Would you take it and make me the happiest man in the world  
If I told you my heart couldn't beat one more minute without you girl  
Would you accompany me to the edge of the sea  
Help me tie up the ends of a dream  
I gotta know, would you go with me  
I love you so, so would you go with me
