

# The Sun (feat. Graham Candy)

[Parov Stelar](#)

Hop back to my heart  
The only place I feel alone  
I need the foreign soilSun rising under my feet  
These kids are out here  
They are my familyNow I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sunNow I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sunNow I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sun  
Don't stop, you got to move  
Keep moving on, moving on  
I'm never gonna stopNow I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sun  
I'm gonna follow the sun  
I'm gonna follow the sunDon't stop, you got to move  
Keep moving on, moving on  
I'm never gonna stopNow I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sun  
Folllow the sunoh, oh, oh  
oh, oh, oh  
oh, oh, oh  
Now I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sunNow I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sunDon't stop, you got to move  
Keep moving on, keep moving on  
I'm never gonna stopNow I'm gonna tell my mamma  
That I'm a traveller  
I'm gonna follow the sun  
I'm gonna follow the sun  
I'm gonna follow the sun  
I'm gonna follow the sun  
I'm gonna follow the sunoh, oh, oh  
oh, oh, oh  
oh, oh, oh  
oh, oh, oh  
oh, oh, oh

oh, oh, oh Follow the sun
