

I Don't Believe You

P!nk

[Verse 1]

I don't mind it, I don't mind at all
It's like you're the swing set and I'm the kid that falls
It's like the way we fight, the times I cry
We come to blows and every night
The passion's there, so it's gotta be right, right?

[Chorus]

No, I don't believe you
When you say, "Don't come around here no more"
I won't remind you
You said we wouldn't be apart
No, I don't believe you
When you say you don't need me anymore
So don't pretend to
Not love me at all

[Verse 2]

I don't mind it, I still don't mind at all
It's like one of those bad dreams when you can't wake up
It looks like you've given up, you've had enough
But I want more, no, I won't stop
'Cause I just know you'll come around, right?

[Chorus]

No, I don't believe you
When you say, "Don't come around here no more"
I won't remind you
You said we wouldn't be apart
No, I don't believe you
When you say you don't need me anymore
So don't pretend to
Not love me at all

[Bridge]

Just don't stand there and watch me fall
'Cause I, 'cause I still don't mind at all
It's like the way we fight, the times I cry
We come to blows and every night
The passion's there, so it's gotta be right, right?

[Chorus]

No, I don't believe you
When you say, "Don't come around here no more"

I won't remind you
You said we wouldn't be apart
No, I don't believe you
When you say you don't need me anymore
So don't pretend to
Not love me at all
[Outro]
'Cause I don't believe you
