

# Give It Up to Me

## Shakira

How you doin I'm Mr Mos I'm backTimb are you on it  
Timb are you on it  
Give me some  
Is this what you wanted?  
Is this what you wanted?  
ohLil' Wayne:  
Uh Wayne's World  
I'm the cashier I change girls  
You can go up my crane girl  
And I'm a go down that drain girl  
Hey ah midnight cowboy  
My flow's a dog... down boy  
Hah my girl is a queen  
And she do what I say and I say what I mean  
Then I give it to her uncut  
Shakira, swing those hips like nun chucks  
Now, give it to me  
I want the best and the best things in life are free  
You can have it all  
Anything you want you can make it yours  
Anything you want in the world  
Anything you want in the world(Lil' Wayne: Give it up to me)Nothing too big or small  
Anything you want you can make it yours  
Anything you want in the world  
Anything you want in the world(Timbaland: Give it up to me)What you get is exactly what you  
give  
Never really know until you try  
We're so ahead of this  
Got this she wolf appetite that keeps me up all night  
You know the way it works don't be afraid to ask  
Aim high when the target is low  
F-Y-I, I am ready to go  
People say men are just like kids  
Never saw a kid behave like this  
What you give is exactly what you receive  
So put me in a cage and lock me away and I'll play the games that you want me to play,  
heyYou can have it all  
Anything you want you can make it yours  
Anything you want in the world  
Anything you want in the world  
T: Give it up to meNothing too big or small  
Anything you want you can make it yours

Anything you want in the world  
Anything you want in the world  
L: Give it up to meHey can we go by walking  
Or do you prefer to fly  
All of the roads are open  
In your life  
In your life  
L: Give it up to meHey can we go by walking  
Or do you prefer to fly  
All of the roads are open  
In your life  
In your life  
L: Give it up to meHey lil lady  
What's your plan  
Say lil mama  
Come take a ride jump inS: Hey there baby  
What's on your mind  
Don't need approval tonight, tonight  
Give it upYou can have it all  
Anything you want you can make it yours  
Anything you want in the world  
Anything you want in the world  
L: Give it up to meNothing too big or small  
Anything you want you can make it yours  
Anything you want in the world  
Anything you want in the world  
T: Give it up to meYou can have it all  
Anything you want you can make it yours  
Anything you want in the world  
Anything you want in the world  
L: Give it up to meNothing too big or small  
Anything you want you can make it yours  
Anything you want in the world  
Anything you want in the world  
T: Give it up to me
