

Heart and Soul

Joe Jonas, Kevin Jonas & Nick Jonas

Oh
Yeah
All right Gather 'round, guys
It's time to start listenin'
Practice makes perfect
But perfect's not working
There's a lot more to music
Than knowing where your cue's gonna be You can play all the right notes
But that don't mean you're moving me
But if you can jump like David Lee Roth
Or pump your fist like you're Bruce the Boss
If you've got a heart and soul
You can rock n' roll
Rock n' roll Strum it, drums
Slide across and runnin'
The stage is your home if you learn how to own it
Like the great Stid
There's no way that you can fake it You've gotta feel the beat before you can move
Even know you're not wearing blue suede shoes
And making mistakes
But that won't matter If you can swagger like ol' Mick Jagger If you've got a heart and soul
You can rock n' roll
You can rock n' roll
(Solo)
If you're livin' and dyin' for the music inside
If the 1-for-5 never gets old
Then you can rock n' roll
Rock n' roll All right, now take it low
Now I need the spotlight to hit me
Right here
As the crowd starts to cheer
I need the fan to blow right through my rockstar hair
Right here If you can scream like Axl Rose
Or sing like ... off the show
If you've got a heart and soul
You can rock n' roll, yeah
If you've got a heart and soul
You can rock n' roll
You can rock n' roll
You can rock n' roll
