

# The Other Side (Live at the Roundhouse)

David Gray

Meet me on the other side  
Meet me on the other side  
I'll see you on the other side  
See you on the other side Honey now if I'm honest  
I still don't know what love is  
Another mirage folds into the haze of time recalled  
And now the floodgates cannot hold  
All my sorrow all my rage  
A teardrop falls on every page  
Meet me on the other side  
Meet me on the other side Maybe I oughta mention  
It was never my intention  
To harm you or your kin  
Are you so scared to look within  
The ghosts are crawling on our skin  
We may race and we may run  
We'll not undo what has been done  
Or change the moment when it's gone Meet me on the other side  
Meet me on the other side  
I'll see you on the other side  
I'll see you on the other side  
I know it would be outrageous  
To come on all courageous  
And offer you my hand  
To pull you up on to dry land  
When all I got is sinking sand  
The trick ain't worth the time it buys  
I'm sick of hearing my own lies  
And love's a raven when it flies Meet me on the other side  
Meet me on the other side  
I'll see you on the other side  
I'll see you on the other side Honey now if I'm honest  
I still don't know what love is
