

# Pour It Up

Rihanna

[Chorus]

Throw it up, throw it up  
Watch it all fall out  
Pour it up, pour it  
That's how we ball out  
Throw it up, throw it up  
Watch it all fall out  
Pour it up, pour it up  
That's how we ball out

[Verse 1]

Strip clubs and dolla' bills, I still got mo' money  
Patron shots can I get a refill  
I still got mo' money  
Strippers going up and down that pole  
And I still got mo' money  
4'o clock and we ain't going home, cause I still got mo' money  
Money make the world go round, I still got mo' money  
Bands make your girl go down, I still got mo' money  
Lot more where that came from, I still got mo' money  
The look in your eyes I know you want some  
And I still got mo' money...

[Pre-Chorus]

Oh ohh ohhh, ohhh oh oh oh  
All I see is signs, all I see is dolla' signs  
Oh ohh ohhh, ohhh oh oh oh  
Money on my mind, money, money on my mind  
Throw it up, throw it up  
Watch it fall out from the sky

[Chorus]

Throw it up, throw it up  
Watch it all fall out  
Pour it up, pour it up  
That's how we ball out  
Throw it up, throw it up  
Watch it all fall out  
Pour it up, pour it up

That's how we ball out

[Interlude]

That's how we ball out

That's how we ball out

That's how we ball out

[Verse 2]

Valet cost a hundred bill and I still got mo' money

Gold all up in my grill, I still got mo' money

Who cares how you haters feel and I still got mo' money

Call Jay up and close a deal, I still got mo' money

My fragrance on and they love my smell, I still got mo' money

So who care about what I spend, I still got mo' money

My pockets deep and they never end, I still got mo' money

I'm going dumb with all my friends, I still got mo' money

[Pre-Chorus]

Oh ohh ohhh, ohhh oh oh oh

All I see is signs, all I see is dolla' signs

Oh ohh ohhh, ohhh oh oh oh

Money on my mind, money, money on my mind

Throw it up, throw it up

Watch it fall out from the sky

[Chorus]

Throw it up, throw it up

Watch it all fall out

Pour it up, pour it up

That's how we ball out

Throw it up, throw it up

Watch it all fall out

Pour it up, pour it up

That's how we ball out

That's how we ball out

That's how we ball out

That's how we ball out
