

Too Wild (feat. Wiz Khalifa & Devin Cruise)

Afrojack

Late nights, everyday is a motherfuckin' party
Too stoned, too stoned
Dn't know what I did last night
Hangin' with my niggas gettin' drunk
Smokin' weed & doin' what we want
We live our lives,
And ain't no one gon' bring us down
Staying out, sleepin when we can
'Cause we don't stop
Going hard, wake up in the morning
Do it all again!
Roll up the Marley, let's get it started
Life with a party!
Let's live for today, we might not be here
tomorrow
And they say I'm too wild
They said I'm too fun
They say it's too much
But too much ain't nothin' at all!
'Cause we just want more, moore
We just want more, mooore
Every time I hear the music
I GO CRAZY
Floating there you take me away
Higher we've ever been before
Take me to the clouds
Take me to the clouds
Take me to the clouds
Take me to the clouds
Every time I hit the club,
I take my money, I spend it all,
Staying on the couch, I show 'em love
Don't give a damn
Don't give a fuck
Float me up, take me away
I've been in the clouds, never coming down
Somewhere out the space, never on the ground
Always turning up, never turning down
Another hundred grands
Some another turn around!
Take me up to where I wanna be
Time to fuck, but we wanna sleep

Mary Jane and her paper planes
One shot, you'd better take this drink
And they say I'm too wild
They said I'm too fun
They say it's too much
But too much ain't nothin' at all!
'Cause we just want more, moore
We just want more, mooore
They say I'm too wild
They said I'm too fun
They say it's too much
But too much ain't nothin' at all!
'Cause we just want more, moore
We just want more, mooore
