

# Empire

## Shakira

Take off all of your skin  
I'm brave when you're free  
Shake off all of your sins  
Then give them to me  
Close up, let me back in  
I wanna be yours, wanna be your hero  
And my heart beats  
Like the empires of the world unite  
We are alive  
And the stars make love to the universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the universe  
And you touch me  
And I'm like  
And I'm like  
And I'm like  
Hooooo, hooooo  
And I'm like  
Hooooo, hooooo  
And I'm like  
Hooooo, hooooo  
And I'm like  
Hooooo  
I will follow you down wherever you go  
I am, baby, I'm bound to you and you know  
Closer, pull me in tight  
I wanna be yours, wanna be your hero  
And my heart beats  
Like the empires of the world unite  
We are alive  
And the stars make love to the universe  
You're my wildfire every single night  
We are alive  
And the stars make love to the universe  
And you touch me  
And I'm like  
And I'm like  
And I'm like  
Hooooo, hooooo  
We are alive  
Hooooo, hooooo  
And I'm like  
Hooooo, hooooo  
We are alive  
I'm just gonna raise my head  
Walk up to the final edge  
And I'm gonna fall  
I'm just gonna raise my head

And hold you close Like the empires of the world unite  
We are alive  
And the stars make love to the universe  
You're my wildfire every single night  
We are alive And the stars make love to the universe  
And you touch me  
And I'm like  
And I'm like  
And I'm like Hooooo, hooooo  
And I'm like  
Hooooo, hooooo  
And I'm like  
Hooooo, hooooo  
And I'm like  
Hooooo
