

If Anybody Gets Funked Up (It's Gonna Be You)

George Clinton

If anybody gets funk'd up
If anybody gets funk'd
If anybody gets funk'd up
If anybody gets funk'd
It's gonna be you
We turn to town to put a smile on your face
But they say "that's illegal"
P-Funk again will put a rock in your face
But they say "that's illegal"
There's a party in the city
Where P-Funk is a way of life
Everybody gettin' funky
Funkin' all thru the night
You came to party with the 'P'
You came to party with the P-Funk
You came to party with the 'P'
You came to party with the P-Funk
If anybody gets funk'd up
If anybody gets funk'd
If anybody gets funk'd up
If anybody gets funk'd
It's gonna be you
Oh oh oh oh oh oh oh oh
If there's a curfew then we all go to jail
Cos' we gon' be
Gettin' illegal, gettin' illegal
Funk ain't no sin
And no, we won't go to hell
It's just illegal
No unscheduled dancin'
No boom boxes
And no live bands
They're all illegal
If anybody gets funk'd up
If anybody gets funk'd
If anybody gets funk'd up
If anybody gets funk'd
It's gonna be you
DA DA DA DA DA DA DA DA
DA DA DA DA DA DA DA DA

There's a party in the city
Where P-Funk is a way of life
Everybody gettin' funky
Funkin' all thru the night
You came to party with the 'P'
You came to party with the P-Funk
Just in your part of town
Beboppin'
Catch this one again
If anybody gets funkyed up
If anybody gets funkyed
If anybody gets funkyed up
If anybody gets funkyed
It's gonna be you
You funk around
And get this funk in your face
You funk around
And get this funk in your behind
You funk around
And get this funk in your face
You turn around
And get this funk in your behind
If anybody gets funkyed up
If anybody gets funkyed
If anybody gets funkyed up
If anybody gets funkyed
It's gonna be you
Everybody get funkyed up
Everybody get funkyed
Everybody get funkyed up
