

Let the Games Begin

AJR

Let the games begin
Let the games begin
Passed out, all my friends went and passed out
So much for the night
Last round for A.M. lovers
That's how I come alive
I'm gonna be a people person in a room of people-people
I'ma keep on running this shit
Let the games begin
A people person in a room of people-people
I'ma be the kid for the win
Let the games begin
Let the games begin
Let the games begin
Let the games begin
Let the games begin
Cab ride, just up here on the right side
Two more for the road
Sometimes when that game hits the wrong vibe
You take it home
I'm gonna be a people person in a room of people-people
I'ma keep on running this shit
Let the games begin
A people person in a room of people-people
I'ma be the kid for the win
Let the games begin
Let the games begin
Let the games begin
Keep on running this shit
Be the kid for the win, singing
Let the games begin
A people person in a room of people-people
I'ma keep on running this shit
Let the games begin
A people person in a room of people-people
I'ma be the kid for the win
Let the games begin (go)
Let the games begin
Let the games begin
Keep on running this shit
Be the kid for the win, singing
Let the games begin
