

Cash App

22Gz

[Intro]

Grrrrrrrrrr

Bap-bap-bap-bap-bap-bap-bap-bap

Ghosty

Gang-gang-gang

Blicky, the blicky

[Chorus]

Spinnin' with blickys and black flags

Gun in my Amiris, been itichin' to clap?that

I?had a gun?in my backpack (Skrr!)

Blicky, the blicky, ?run down, where that stash at?

I paid them hitters through Cash App (come here!)

Shooters like Mitchell, put holes in his snapback

We stuffin' bodies in trash bags (pussy)

I bet them hollow tips turn him to hashtags

[Verse 1]

She a lil baba (baba-baba)

Willing to line a nigga for the slappin

Been movin' tactic

If it ain't on my waist, I got it in my jacket

My shooters assassins

7.62s make 'em do backflips

My lil juvie a savage

Got a .40, a Ruger, that came with attachments

Ain't with the chit-chat

Semi gon' split that

Open that six pack (gang-gang-gang)

Now he gotta shit bag

Blicky gon' kick back

Why would I miss that?

His medula, we cracked it

Bending the whip, pull up sprayin' and blastin'

I see you wanna rap diss

Sayin' my name is gon' come with a casket

[Chorus]

Spinnin' with blickys and black flags

Gun in my Amiris, been itichin' to clap that

I had a gun in my backpack
Blicky, the blicky, run down, where that stash at?
I paid them hitters through Cash App
Shooters like Mitchell, put holes in his snapback
We stuffin' bodies in trash bags
I bet them hollow tips turn him to hashtags

[Verse 2]

Twirlin', spinnin'
Swervin', pinned it
Lurkin', did it
Purgin', drilling
Tinted windows, Glock extendos
Hangin' out Suburban's with it
I think she want me to slap that
Pulled up on it, had the strap in my backpack
Shawty a eater like Kat Stacks
Back out the blicky, go crazy like Mad Max

[Chorus]

Spinnin' with blickys and black flags
Gun in my Amiris, been itichin' to clap that
I had a gun in my backpack
Blicky, the blicky, run down, where that stash at?
I paid them hitters through Cash App
Shooters like Mitchell, put holes in his snapback
We stuffin' bodies in trash bags
I bet them hollow tips turn him to hashtags
