

# If I Had Eyes

Jack Johnson

If I had eyes in the back of my head  
I would have told you that you looked good as I walked away  
And if you could've tried to trust  
the hand that fed  
You would've never been hungry,  
but you'd never really be  
The more of this or less of this or is there any difference  
or are we just holding onto the things we don't have anymore  
Sometimes time doesn't heal  
No not at all  
It just stands still  
While we fall  
In or out of love again I doubt I'm gonna win you back  
When you've got eyes like that  
They won't let me in  
Always looking out  
A lot of people spend their time just floating  
We were victims together but lonely  
You've got hungry eyes that just can't look forward  
Can't give them enough but we just can't start over  
Building with bent nails we're  
falling but holding  
I don't wanna take up any more of your time  
Time time time  
Sometimes time doesn't heal  
No not at all  
It just stands still  
While we fall  
In or out of love again I doubt I'm gonna win you back  
When you've got eyes like that  
They won't let me in  
Always looking out  
Always lookin'
