

# Block Reincarnated (feat. Kardinal Offishall)

## Shawnna

Haha, Deejay Sash  
Is about to rock the block  
Rock the block  
If you're dancing all night  
â€ Till the morning light  
And I'm never gonna stop  
And I'm never gonna stop  
Rock the block  
If you're dancing all night  
â€ Till the morning light  
And I'm never gonna stop  
And I'm never gonna stop  
Rock the block, yeah  
Rock the block  
Haha, Deejay Sash  
Is about to rock the block  
Rock the block  
Rock the block  
Rock the block  
If you're dancing all night  
â€ Till the morning light  
And I'm never gonna stop  
And I'm never gonna stop  
Rock the block, yeah  
Rock the block
