

Rock Star

Everclear

I don't want to be a loser, no, I don't want to be an almost was
I don't want to be a white trash working class chump
I don't want to be a loser anymore That's why I want to be a rock star, I want to be the king
I want to be on top, yeah, I just want to be a rock star, yeah
Now I just want to be famous, I want to be the guy
That everybody wants I want to be on TV shows and wear designer clothes
I want a girlfriend who does not drink beer
I want to drive a fast car and sleep with certain movie stars
I want to sing the songs that all those little people want to hear
I just want to be a rock star, I want to be like all those people
Up in first class, I just want to be a rock star
I want to tell the little people, they can kiss my ass
I just want to be a rock star, I just want to get laid
I just want to be a rock star, a different girl for every day That's why I want to be a rock star
Be like all those guys on the MTV
I just want to be a rock star, I want to make
Those girls on the Real World fantasize about me
I just want to be a rock star, I want to be the king
I want to be on top, I just want to be a rock star
I just want to be famous, everybody everywhere
Wants to be famous and everybody everywhere
Wishes they could tell, everybody everywhere to go to Hell I just want to be a rock star, I just
want to get high
I just want to party like a rock star until the day I die
I just want to be a rock star
