

Cruel World

Lana Del Rey

Shared my body and my mind with you
That's all over now
Did what I had to do
'Cause you're so far past me now
Shared my body and my life with you
That's way over now
There's not more a mind can do
You're so famous now Got your bible, got your gun
And you like to party and have fun
And I like my candy and your women
I'm finally happy now that you're gone
Put my little red party dress on
Everybody knows that I'm the best, I'm crazy
Get a little bit of Bourbon in you
Get a little bit suburban and go crazy
Because you're young, you're wild, you're free
You're dancing circles around me
You're fucking crazy
You're crazy for me
I shared my body and my mind with you
That's all over now I did what I had to do
I found another anyhow
Shared my body and my mind with you
That's all over now
I did what I had to do
I could see you leaving now
I got your bible and your gun
And you love to party and have fun
And I love your women and all of your heroin
And I'm so happy now that you're gone
Put my little red party dress on
Everybody knows that I'm a mess, I'm crazy Get a little bit of Bourbon in you
Go a little bit suburban and go crazy
Because you're young, you're wild, you're free
You're dancing circles around me
You're fucking crazy
You're crazy for me
Got your bible and your gun
You like your women and you like fun
I like my candy and your heroin
And I'm so happy, so happy now you're gone Put my little red party dress on
Everybody knows that I'm a mess, I'm crazy

Get a little bit of Bourbon in you
Get a little bit suburban and go crazy
Because you're young, you're wild, you're free
You're dancing circles around me
You're fucking crazy
You're crazy for me
You're crazy for me
